

GOOD FAITH ESTIMATE

IN ACCORDANCE WITH THE CONSOLIDATED APPROPRIATIONS ACT OF 2021 (SURPRISE BILLING), YOU HAVE THE RIGHT TO RECEIVE A “GOOD FAITH ESTIMATE” EXPLAINING HOW MUCH YOUR MEDICAL CARE WILL COST

Under the law, healthcare providers are required to provide **patients who don't have insurance or who are not using insurance** an estimate of their bill for medical items and services if requested.

- ➔ You have the right to receive a Good Faith Estimate for the total expected cost of any non-emergency items or services.
- ➔ Make sure your healthcare provider gives you a Good Faith Estimate in writing at least one business day before your medical service or item.
- ➔ You can also ask your healthcare provider for a Good Faith Estimate before you schedule an item or service.

If you receive a bill that is at least \$400 more than your Good Faith Estimate, you can dispute the bill.

MAKE SURE TO SAVE A COPY OR PICTURE OF YOUR GOOD FAITH ESTIMATE
